Q1: If additional road and bridge funding could be secured for your home county, what would you list as the top priority project(s)? List up to three.

Project 1

On any projects: please consider Reflector "rumble strips" on shoulder-side yellow lines instead of grooved pavement like FL and other states have

Project 2

Hwy 27 between enterprise and ozark widened, a passing lane or a bike lane. particularly in the areas where accidents are frequent

Project 3

Bike lane around Boll weevil circle or research into multi-city connected fitness routes. Outdoor fitness (or walking if you don't have a car) is much more dangerous in our county than it should be.
