Q1: If additional road and bridge funding could be secured for your home county, what would you list as the top priority project(s)? List up to three.

Project 1

Hwy 14 Webster Crossing need a turning lane with a caution light

Project 2

Hwy 14 @ Lee Road 61 need a middle lane and or traffic light. It is dangerous especially when a train is passing thru. About 100 feet down the road is Loachapoka Dollar General no middle turning lane. It has been two major vehicle accidents in the past year and a half.

Project 3

Lee Road 188 north was poorly patched about 18 months ago. The pavement is uneven, M&M trucks, One Trucking Company and several dump trucks are causing pot holes with their speeding and heavy loads. The 5000 block thru 6000 block need to be revisited. Tax payers money was given away because the job was poorly done!
